## EDUCATION

---

### **University of California, Los Angeles – Los Angeles, CA**

B.S. Human Biology and Society, *Highest Departmental Honors*

### **California State University, Los Angeles - Los Angeles, CA**

- Courses Taken Through CSULA's Open University Program:
  - Introduction to Programming II with Lab (4 units)

## SKILLS AND QUALIFICATIONS

---

- Proficient in both backend and frontend programming languages, alongside version control using Git and GitHub
  - **Frontend Skills:** Javascript, Swift, ReactJS + React Native, HTML/CSS, Objective C, Flutter
  - **Backend Skills:** Python, NodeJS, AWS, Firebase

## SOFTWARE PROGRAMMING PROJECTS

---

- Personal portfolio and resume site that emphasizes skill in website design/development. Programmed and edited through JavaScript, ReactJS, and HTML/CSS. Live hosting of the site is done through Hostinger
  - View Live Demo: [iqrairfan.com](https://iqrairfan.com)
  - GitHub Source Code: <https://github.com/iqrairfan100/Portfolio-Site>
- ShareBear is an IOS app that aims to aid UCLA students who are looking for other students to trade textbooks, games, and puzzles. The app is programmed using Swift through XCode, utilizing Firebase and Cocoapods libraries. Figma was used for UI design. Emphasizes skill in app design and functional IOS app development.
  - GitHub Source Code: <https://github.com/iqrairfan100/ShareBear>

## RELEVANT PROFESSIONAL EXPERIENCES

---

### **Full Stack Software Development Summer Internship at Speckle - Intern**

*May 2022 - Present*

- Roles included working on the development and debugging process of an IOS application written in JavaScript utilizing ReactJS, HTML, and CSS for front-end development and Cloud Firestore + AWS components for back-end server management.
- In addition, this role also required excellent communication between members of the engineering department, the UI/UX team, and Speckle's project manager to ensure the engineering of high-quality code to reflect the design choices of the client.

## RELEVANT LEADERSHIP EXPERIENCES

---

### **Purses For A Purpose, Los Angeles (PFPLA) - Branch Director**

*Jan 2020 - Present*

- Director of the Los Angeles branch of PFP, Inc. a registered 501c (w) nonprofit created to give back to our local unhoused women's community. Roles included coordinating nonprofit tasks between volunteers, researching and creating marketing and women's advocacy content, organizing and retrieval of donations from around the Greater Los Angeles area, and repacking donated purses and toiletries for those at Skid Row.
